

# Martiniere Gold Project

Plan View - 2024 Drilling  
Geology at 50 m (MASL)

**Martiniere 2023 Resource Footprint**

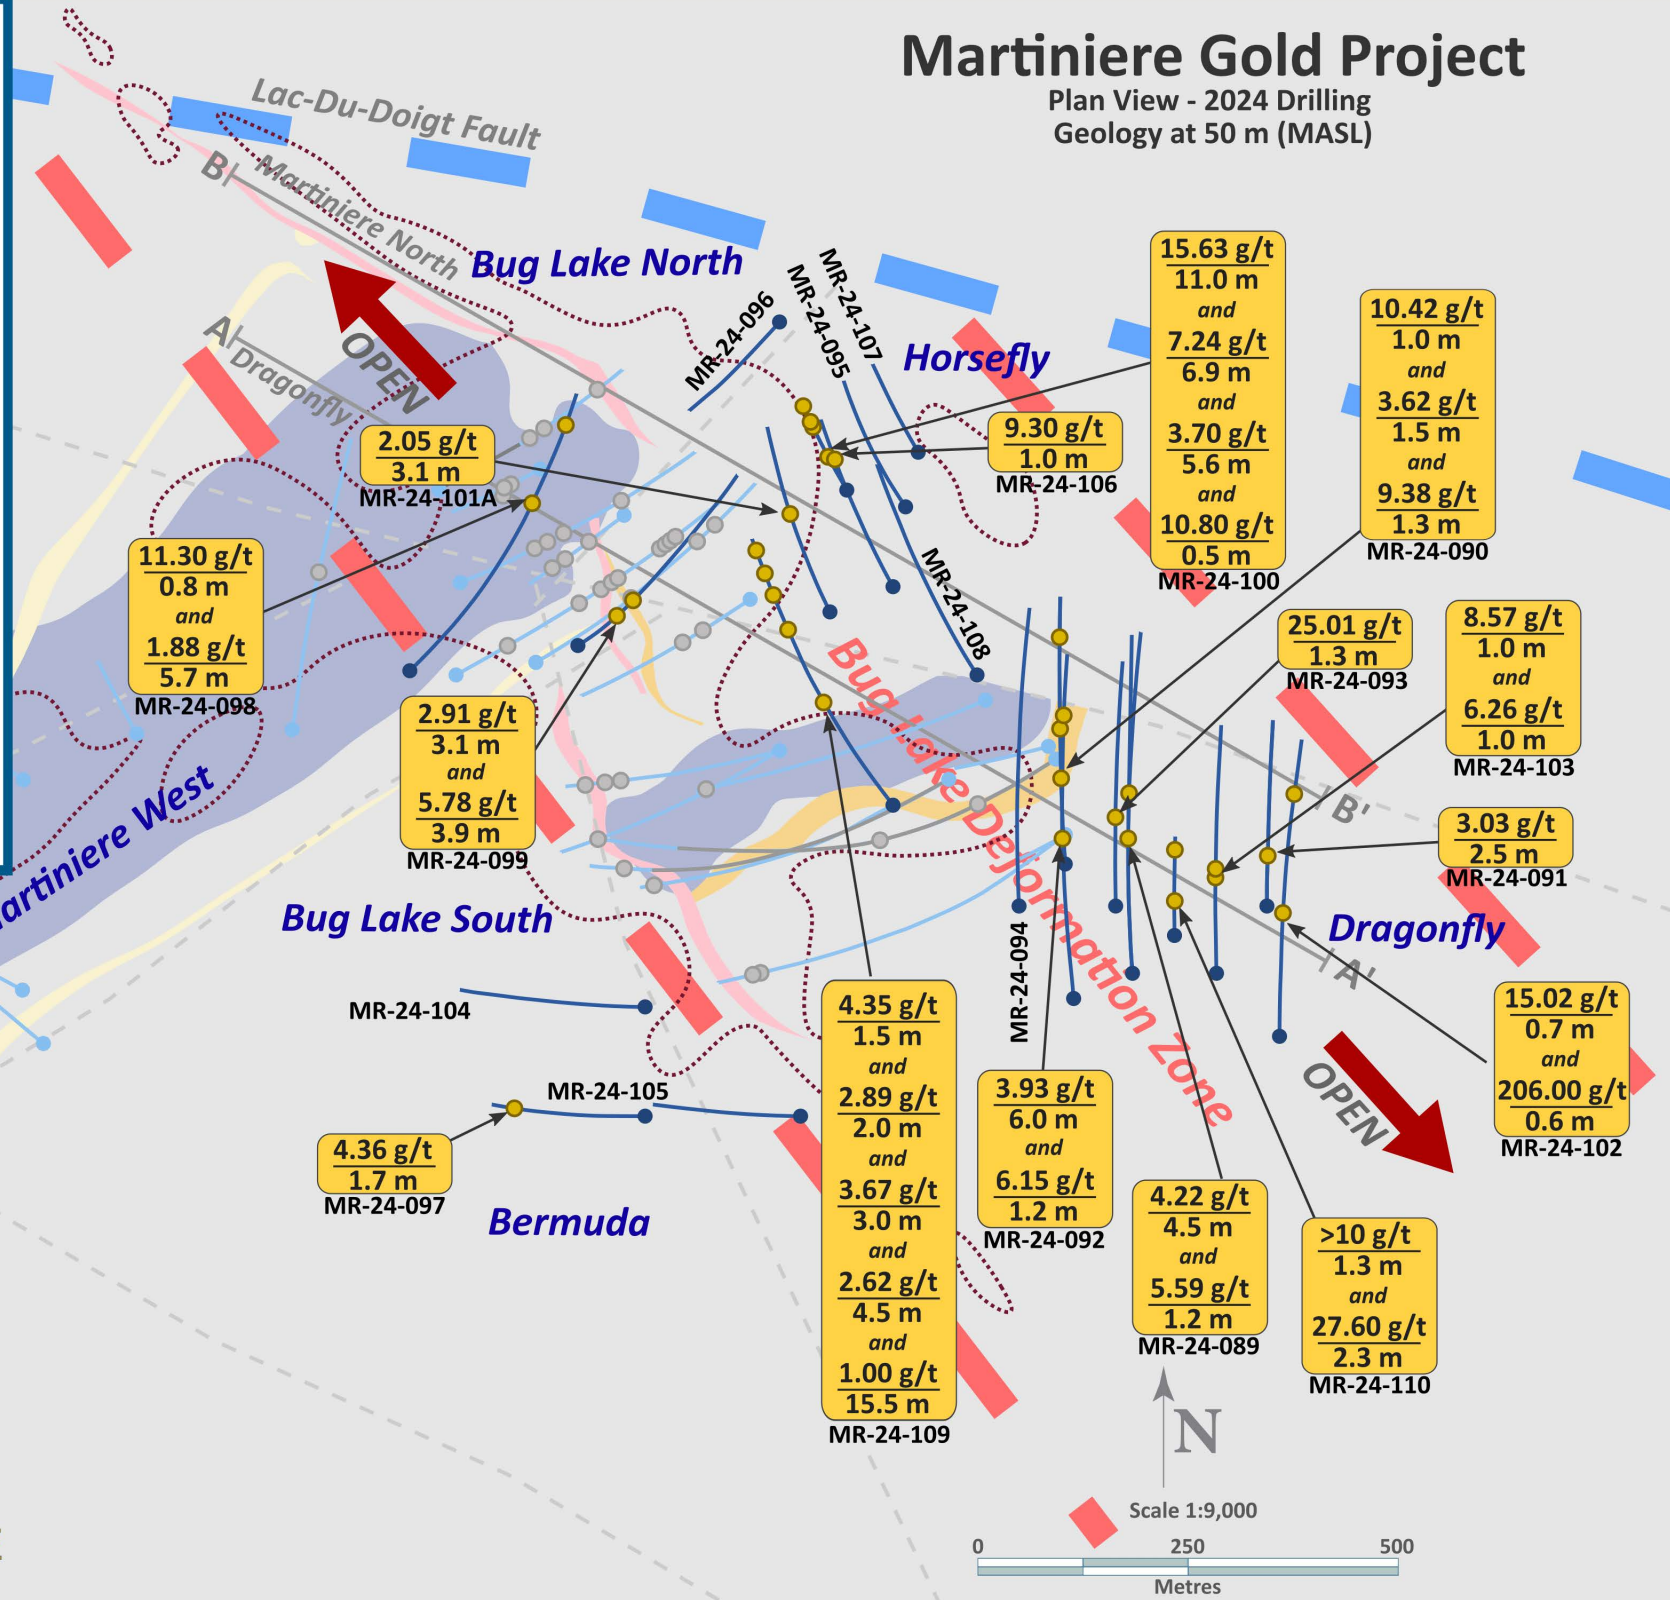

- Current News Release Highlight Composites
- July 2023 News Release Highlight Composites
- Au g/t / m** Current News Release Highlights
- Drillholes - Phase 2
- Drillholes - Phase 1

**Structures**

- Lac-Du-Doigt Fault
- Interpreted Deformation Zone
- Interpreted Structures
- Martiniere West Mineralized Zone

**Geology**

- Martiniere West Gabbro
- Bug Lake Porphyry
- Quartz Porphyry
- Felsic Dyke
